## Our Memorial Gardens

At Palmdale and Western Districts Memorial Park, we recognise the very human need to have someone to visit, somewhere to focus one's grief uninterrupted by meaningless distractions, somewhere to show an appreciation for the person whose life has had such an impact on their own.

There is a great comfort in having established a permanent symbol to a loved one's remembrance – a point of focus and confidence in having created an historical record.

With the intent to provide our community with unique and attractive options in peaceful, harmonious settings to honour and remember loved ones, we continue to develop and extend our gardens.

If you wish to know more about memorial sites in these beautiful gardens, please contact our friendly staff.

## Our Permanent Maintenance Trust Fund

We ensure that the faith entrusted in us by others to eternally look after their loved ones in our gardens is further guaranteed and secured through our Permanent Maintenance Fund.

A portion of every site sold contributes to the capital base of the fund. These monies are invested within guidelines that will provide the revenue needed to continue to maintain and care for the facilities indefinitely.

*Thank you for visiting  
our beautiful memorial gardens*
